

CRJC 340 - White Collar Crime

Credit Hours: 3

Lecture Hours: 3

Lab Hours: 0

A survey course designed to provide an overview of white collar crime, with an emphasis on the criminal and/or unethical or harmful acts of the rich and powerful. Specifically, the course explores the various types of white collar crimes, the characteristics of the offenders, the theories attempting to explain these acts, and the harm caused by them.

Prerequisite: [CRJC 200](#)
