THESIS APPROVAL FORM

Submission of Thesis: All theses and dissertations should be reviewed to ensure they adhere to The Fayetteville State University Graduate Programs Guide for the Preparation and Submission of Theses and Dissertations. After the student has made the revisions requested in the thesis/dissertation oral defense and at least three (3) weeks before graduation, the student must submit one (1) copy of the thesis/dissertation to the college dean for review. The thesis/dissertation must be submitted with the Thesis/Dissertation Approval Form with all the required signatures. Once the review is complete, the college dean will send feedback to the student and Thesis/Dissertation Advisory Committee Chair. The student, in consultation with the Advisory Committee Chair, should make the necessary corrections and submit one (1) copy of the revised thesis to the department chair/associate dean and college dean for verification that the corrections have been made. The Thesis Committee chair will notify the college dean after final review and approval of the edited thesis. After reviewing the final (edited) thesis, the college dean will notify the student and the Advisory Committee Chair that the thesis is ready to be printed. The student submits four (4) copies of the thesis (with original signatures of all Advisory Committee members on the title page), along with the ProQuest form and the required fee, to the office of the college dean. The student must pay the thesis processing fee at the FSU's Cashier's Office and attach a receipt to the four (4) copies of the thesis.
