Other Program Requirements

- 1. A student must have a GPA of 2.0 or higher to declare Interdisciplinary Studies as a major.
- 2. An overall GPA of 2.0 or higher is required to graduate.
- 3. At least 24 credits in the program must be earned at the 300- or 400- level.
- 4. Students must earn a C or better in all classes that serve major requirements, to include electives.
- 5. Students will receive transfer credits only for courses in which they earned a final grade of C or better; transfer credit will not be awarded for developmental/remedial courses.
- Students will develop a concentration in consultation with the Program Director to meet the student's prior experience and professional goals and interests.
- 7. Classes that are used to satisfy a University College core requirement cannot be used/counted twice in order to satisfy a BSIS program requirement.

Four-Year Plan

This Plan illustrates how students can meet degree course requirements in four years. Some courses listed below may be taken in an alternate order. Courses fulfilling requirements are listed on the previous pages. For information about prerequisites and other program requirements, consult the appropriate Catalog Program of Study and program advisor. Students should work with the program advisor to create and update an individual plan of study.
